Once again Bobs been lying and conspiring against Daniel. He's just the monkey in the middle who is being framed and definitely did not do anything wrong or illegal. Why is he not free?? Tina won't step up!!

You realize what GOAT mean right? Greatest of all time.... Not just "the past year." Is there a reason you're so douchey?

I'm sure he's a respectable, fine young man with good morals and a smart head on his shoulders. (🤔)

He tells us to get a life while he's still talking to Daniel. I thought he said he was done with him? Hypocrisy, lol.

Everyone begs for updates and Daniel content. It takes me no time at all out of my day to do so, better then that p3do sippy

If everyone begged you to blow Daniel upon his release from the Feds, would you do it? I bet you could get the job done in under a minute if you tried. It'd be no time out of your day to do so... less time than that phone call. Be great content too, you'd really show sippy who's boss...dork boy.

No 1 begs for anything and also why would anyone beg you when all you do is threaten to gatekeep. You know a foia request can be made for all of his phone calls right? Keep thinking everyone's begging you for content and keep threatening to gatekeep
